

Interested in Coaching Girls on the Run?

Girls on the Run is a program held in the spring to help instill self-confidence and a healthy lifestyle for girls in grades third, fourth, and fifth. It meets twice a week after school until 4:15.

We need at least one more coach in order to have the program at Southgate. New coaches will have to attend a training before the season begins.

If you are interested in coaching please complete and return this form to school to Mrs. Samuel. If you have any questions or would like more information please email me at megan.samuel@southgate.kyschools.us
