

**Study Skills: Help Your Child Work Smarter  
Presented by Springer School**

**When:** Thursday, November 2, 2017

**Time:** 6:30-8:00 pm

**Where:** St. Therese School Cafeteria

Study skills are not typically taught in school. This program provides tips for parents including helping your child think and plan first before starting homework, strategies for math homework, reading comprehension, studying from a textbook, completing writing assignments, and organizing projects.
