May 2, 2018

Dear Parents,

As the year winds down it also marks the upcoming state assessment known as **K-PREP** (*Kentucky Performance Rating for Educational Progress*). Students across the state in grades 3-8, and 11 will be assessed in reading, math, writing, science and social studies. The chart at the bottom of this letter lists the assessments each grade level will be taking. Our students and staff have been working very hard to prepare for these assessments and we are confident they will perform well.

Please mark your calendars for **May 9-15**. These are the days of our K-PREP assessment. Also, please encourage your child to do their very best during this time. These tests really are important and assist in demonstrating what each child knows and can do. Kentucky is committed to the goal of having each child career and college ready upon graduation and has set specific benchmarks to reach each year.

Additionally, please make sure your child gets plenty of sleep during this time and arrives to school each day on time. Assessments will begin right after homeroom so it is important they are present and ready to begin.

Grade	Assessment
Three	Reading, Math
Four	Reading, Math, Science
Five	Reading, Math, Social Studies, Writing
Six	Reading, Math
Seven	Reading, Math, Science
Eight	Reading, Math, Social Studies, Writing

Thank you,

Eddie Franke
Principal, Southgate Public School
