

# Southgate Independent School District

Dear Parents/Guardians,

All students in grades kindergarten through eighth grade will be completing their first round of MAP (Measures of Academic Progress) benchmark tests for the 2018-19 school year. The MAP benchmark tests serve as a basic indicator if your child is performing below, at, or above grade level in the areas of reading and math. Below you will find a chart that specifies the goal score for reading and math at each respective grade level. We encourage you to talk to your child about the importance of doing his/her best on the tests. We have found that students who have a goal in mind that has been discussed with them tend to put forth more effort leading to a higher possible score. The MAP testing windows for the year will be as follows: fall - 9/4 to 9/14, winter - 11/27 to 12/7, and spring - 3/18-3/29. If you have any questions about this information, please ask your child's teacher(s) or call the main office at 441-0743. Go Lions!
