

JBALL'S KIDS

Get Involved With A Great Cause

Who Are We? *JBall's Kids* is a program sponsored by Youth Sports Inc, a non-profit 501(c)3 youth organization. We organize social visits to local elderly care facilities to entertain and provide some cheer to the residents. For 2017, we plan to visit 8 local elderly care facilities in Campbell County to provide Bingo entertainment and refreshments to over 500 residents. Several of our adult volunteers have participated in visits for several years with different organizations and recently, *JBall's Kids* was formed to continue this invaluable service to our local senior citizens. Together, with the genuine participation of the youth of our community, we can provide some happiness and cheer to the elderly of our community for years to come.

How Can You Help? We are looking for “kids” to help us deliver an enjoyable and memorable experience to the residents we visit with. Your volunteer participation will include administering and assisting with Bingo games, serving refreshments as well as setup and cleanup activities. Each visit will only require (3) hours of your time and you can participate as often as you'd like. We trust that your experience will be so rewarding that you'll want to participate on future visits. With your volunteer support, *JBall's Kids* can continue to enrich the lives of senior citizens in our community.

How Do You Benefit? Becoming a 'JBall Kid' is a great way to give back to your community. Not only will it be a rewarding experience, but your participation will provide an opportunity to learn and grow as a young adult. You will also get the satisfaction of bringing some joy to the day to day lives of the elderly you visit with. In addition, your volunteer time is approved by your school and can be counted towards your service hours requirements.
