

A Letter from the Superintendent

Dear Southgate Families,

The Southgate Team is very excited about the 2022-2023 school year! We have a wonderful group of educators and support staff members who love making great things happen in Our Southgate. After all, our unique school district is very hard to replicate with a P-8 student population and so many wonderful opportunities. We pride ourselves on getting to know every child while providing an excellent educational experience for all. Our mission is to serve our community by fostering positive relationships with all stakeholders and securing an environment for all Lions to become academically proficient and successful citizens.

We are thrilled to have our students back in the school building! We're committed to our vision of promoting Excellence, Character, Growth, and Pride in every student, every day. We will continue to raise the bar for our students knowing that they can achieve excellence in all areas. We will also continue to offer a five-star preschool experience for Our Littlest Lions and their families. We understand that our students deserve the best so we'll work hard to ensure that Our Southgate is a place for everyone to take pride in every day.

Building character is also a strong aspect of the educational experience in Our Southgate. Our goal is for all Lions to add value in the others around them. We will continue to teach our students about being kind and working hard. We want our Lions to grow up in a school culture where everyone feels valued and loved. The Southgate Team is committed to building strong character traits in our students so they can add light into the others around them.

Another key pillar that we pride ourselves on is growth. We love seeing our students grow in and out of the classroom. The Southgate Team is always up for the challenge of meeting our students where they are in the learning process. There is no doubt that our Lions aspire to be the best versions of themselves every day. We encourage our families to get involved so please reach out if interested in making a difference in Our Southgate. We need you!

Thank you for your constant support of our wonderful community school district. We truly do have a special place due to the best students, staff, and families in the state of Kentucky. Let's continue to work together always striving to make great things happen for our Little Lions. Small School Big Pride!

Proudly Serving Southgate Schools,

Greg Duty

Superintendent
